# RECORDING REGULATIONS

**Spectra: Strings & Voices of 2026 will be held by participants submitting the video of their performance online via Youtube.**

- **Recording must show a clear representation of the contestants' abilities but does not need to be of a professional recording quality.**
- **Video must be taken without any cut or editing.**
- **Video should be taken in landscape view, from one angle only and without any interruption.**
- **Participant's face, hands and pedals must be clearly visible within the video.**
- **The repertoire choice is free, however, it has to be within time limits indicated for each category. It can be shorter but should not be significantly longer as stated for each category.**
- **Participants may use mp3 for the accompaniment. Keep in mind the balance of the sound when setting up the recording so that both the performer and accompaniment music can be heard nicely.**
- **Please use this format for the video's title in YouTube:**
- **Spectra 2026 - Instrument - Section, Category - Performer's Full Name - Title of the Music Piece**
- **Make sure that the videos are visible to the judges by setting the privacy to "Public" and check the option "This Video Is Not Made For Kids."**
- **No changes of repertoire are allowed after submission of application.**
- **Video submitted must be taken recently and submitted for the purpose of this event only. Violation of this rule will result in disqualification.**
